‘THE CHOSEN’ HAS A NEW HOME New *The Chosen* App and Funding Model Accelerate Global Growth

[The New App for *The Chosen*](#)

DALLAS, TX, December 9, 2022 – The Chosen Season 3 premieres worldwide on Sunday, Dec. 11, at 7 p.m. EST on its new official The Chosen app co-created through its newly-formed partnership with the Come and See Foundation—a 501(c)(3). The [Come and See Foundation](#) was established exclusively to accelerate the show’s global reach by maximizing charitable giving to increase budgets for future seasons, translations for hundreds of languages, and exclusive bonus content.

Exclusive content in the new app includes Bible roundtables and the new “Chosen Aftershow” featuring cast and crew, as well as all existing and future seasons of *The Chosen*. The new *The Chosen* app is also the only channel that allows viewers to make tax-deductible donations to fund the production of future seasons where every dollar is matched by Come and See Foundation to bring the show to new audiences.

“The partnership with the Come and See Foundation allows us to super charge our efforts. Seasons will come faster, language translation will expand and quicken, and our marketing efforts will grow exponentially,” explains show creator, Dallas Jenkins.

The new partnership will also allow *The Chosen* to raise its production budget to a sustainable level as 90% of donations will now go directly toward funding production, and dollar for dollar, donations will be matched. “Now that viewers are able to donate to the Come and See Foundation and receive a tax deduction, more people are able to contribute more significantly,” said Jenkins. “This is especially beautiful because the viewer who just wants to contribute a little can know their gifts are being matched and can go much farther than ever before.”

Season 3 also can be viewed on *The Chosen*’s official [Facebook page](#) and [YouTube channel](#) for a limited time. The new *The Chosen* app is available now for mobile download on the Apple app store and Google Play, and will be available shortly on Fire TV, Apple TV and Roku. The app and show will continue to remain totally free.
