DALLAS – February 13, 2025 – Ahead of its debut in theaters nationwide on March 28, creator/executive producer Dallas Jenkins and star Jonathan Roumie were in Times Square today to reveal *The Chosen: Last Supper* (Season 5) key art with portraits photographed by famed photographer Annie Leibovitz. Shot in cinematic format, *The Chosen: Last Supper* features Holy Week, the most pivotal week in history, in this special theatrical release.

“I admire what Dallas Jenkins is doing so much... He is the artist of our time doing the Bible,” said Leibovitz.

“What makes her work so extraordinary is she tells stories -- in seconds -- and then you look deeper and you find more. And we're trying to tell stories of some of the most iconic people who ever lived. They actually lived and breathed and had fear and doubt and felt things like joy and betrayal. So in a season like this, where you see all of those things, it felt like the season that was in need of someone most like her to communicate that photographically. When she agreed to do it, we knew that it was going to elevate the show and bring something to it with her portraits that we can't do,” said Jenkins regarding Leibovitz and her photography.

Tickets will go on sale tomorrow, February 14, at <https://www.thechosenlastsupper.com>.

Additionally, a red-carpet premiere will take place at B&B Theatres Red Oak 12 in Dallas on March 20 with producers and cast in attendance. During a four-week run in the U.S. and Canada, all episodes of *The Chosen: Last Supper* will be released in three parts – Part One (episodes 1-2), Part Two (episodes 3, 4, 5), and Part Three (episodes 6, 7, 8), which will enable viewing of all episodes throughout the entire run.

Beginning April 10, *The Chosen: Last Supper* Part One will also roll out theatrically in over 40 global territories across Europe, Asia and Africa, including red-carpet premiere events in Brazil, Spain and Mexico. *The Chosen: Last Supper* is distributed by [Fathom Entertainment](#) in the U.S. and by [Trafalgar Releasing](#) internationally.

Later in 2025, the season will make its streaming debut.

THE CHOSEN: LAST SUPPER

The table is set. The people of Israel welcome Jesus as king while his disciples anticipate his crowning. But—instead of confronting Rome—he turns the tables on the Jewish religious festival. Their power threatened, the country’s religious and political leaders will go to any length to ensure this Passover meal is Jesus’ last.

ABOUT THE CHOSEN

The Chosen is a groundbreaking historical drama based on the life of Jesus (Jonathan Roumie), seen through the eyes of those who knew him. Set against the backdrop of Roman oppression in first-century Israel, the seven-season series shares an authentic and intimate look at Jesus’ revolutionary life and teachings. What started as a crowd-funded project has grown to over 280 million viewers and more than 17 million social media followers.

ABOUT 5&2 STUDIOS

5&2 Studios connects people around the world to stories from the Bible through uniquely human and authentic storytelling. Founded by Dallas Jenkins following the global success of *The Chosen*, 5&2 has expanded into producing both scripted and unscripted series, an animated series, and an expansive library of digital content. The independent studio also manages its own distribution, marketing, studio facilities, and consumer product line. For more information, visit Sand2Studios.com.
