CULVER CITY, California—May 2, 2025—With the release of the Official Trailer today, Prime Video announced Season 5 of the global phenomenon *The Chosen* will premiere on June 15, 2025 in the U.S. Featuring eight episodes, *The Chosen: Last Supper* (Season 5) will debut in three parts over three weeks, with the first two episodes premiering on June 15, followed by three episodes on June 22 and the last three episodes on June 29. In addition to the U.S., the new season will be available on Prime Video in Canada, Australia, New Zealand, Sub-Saharan Africa, UK, and Latin America in July. *The Chosen* Seasons 1 through 4 are now streaming on Prime Video.

The Chosen: Last Supper (Season 5) made its theatrical debut on March 28 in the U.S. and on April 11 internationally to incredible box office success, grossing nearly \$60 million and counting. Later this month, *The Chosen: Last Supper* Parts 2 (episodes 3-5) and 3 (episodes 6-8) will be released in theatres in the UK, Ireland, Australia and New Zealand. Cumulatively, over the past three years, *The Chosen's*

theatrical releases have grossed nearly \$140 million worldwide in 55 countries.

The Chosen: Last Supper (Season 5) follows Jesus' (Jonathan Roumie) triumph to treachery as his final days unfold in a story that changed the world. Welcomed as a king into Jerusalem, he boldly confronts the corrupt merchants, sparking a chain of events that shakes the city. While religious leaders scramble to silence his growing influence, Jesus shares one last meal with his closest followers. But in the shadows, Judas makes a deal that seals both their fates. In a tale of power, faith, and betrayal that echoes through time – one man's ultimate sacrifice becomes humanity's greatest story.

Jonathan Roumie returns as Jesus alongside Shahar Isaac as Peter, Paras Patel as Matthew, Elizabeth Tabish as Mary Magdalene, Noah James as Andrew, George H. Xanthis as John, Abe Bueno-Jallad as Big James, Vanessa Benavente as Mother Mary, Luke Dimyan as Judas, Richard Fancy as Caiaphas, Paul Ben-Victor as King Herod, and Andrew James Allen as Pontius Pilate.

The Chosen is a groundbreaking historical drama based on the life of Jesus, seen through the eyes of those who knew him. Set against the backdrop of Roman oppression in first-century Israel, the seven-season series shares an authentic and intimate look at Jesus' revolutionary life and teachings. With over 250 million viewers, *The Chosen* is one of the most-watched series in the world, produced by 5&2 Studios and written, directed, and produced by Dallas Jenkins.

Earlier this year, Amazon MGM Studios inked a first-look multi-faceted deal with 5&2 Studios. The wide-ranging deal provides streaming rights to the first five seasons of *The Chosen* and the new unscripted series *The Chosen in the Wild with Bear Grylls* for Prime Video. The pact also includes theatrical and streaming rights to *The Chosen's* upcoming final two seasons, which will follow the crucifixion (Season 6) and the resurrection (Season 7). Season 6 production is currently underway in the U.S. and Italy. Lionsgate handles global distribution for *The Chosen* and *The Chosen In The Wild with Bear Grylls*.
