CULVER CITY, California—April 3, 2026—Today, Prime Video and 5&2 Studios announced Season Six of the global phenomenon *The Chosen* will premiere on November 15, 2026, in the U.S. and internationally, alongside the debut of a teaser image. Featuring six episodes, *The Chosen* Season Six will debut three episodes on November 15, followed by the release of a weekly episode through December 6. The season finale will be a stand-alone theatrical release in spring 2027. In addition to the U.S., the new season will be available on Prime Video in Canada, Australia, New Zealand, Sub-Saharan Africa, the UK, and Latin America. *The Chosen* Seasons One through Five are now streaming on Prime Video.

The hour has come. Before the sun sets, Jesus of Nazareth will be dead. Season Six captures the historic events of Jesus' final day through the lives of those who love Him—and those who condemn Him. Pharisees call it justice. Romans call it peace. Followers call it murder. But in the face of loneliness and death, Jesus stands resolute in his plan that has always led to one place: the cross. *The Chosen* Season Six reveals how Jesus' final hours changed the world forever.

"Everyone knows the basics of this part of the story, but not everyone knows the 'why' of the crucifixion and the extraordinary events of these 24 hours," said Dallas Jenkins, Chairman and Chief Creative Officer of 5&2 Studios and Creator/Executive Producer of *The Chosen*. "We realized this not only deserved a season of television but a standalone full-length theatrical event as well. We wrote and filmed all of it with this in mind."

Jonathan Roumie returns as Jesus alongside Shahar Isaac as Peter, Paras Patel as Matthew, Elizabeth Tabish as Mary Magdalene, Noah James as Andrew, George H. Xanthis as John, Abe Bueno-Jalad as Big James, Vanessa Benavente as Mother Mary, Luke Dimyan as Judas, Richard Fancy as Caiaphas, Paul Ben-Victor as King Herod, and Andrew James Allen as Pontius Pilate.

*The Chosen* is a groundbreaking historical drama based on the life of Jesus, seen through the eyes of those who knew him. Set against the backdrop of Roman oppression in first-century Israel, the seven-season series shares an authentic and intimate look at Jesus' revolutionary life and teachings. With over 300 million viewers, *The Chosen* is one of the most-watched series in the world, produced by 5&2 Studios and written, directed, and produced by Dallas Jenkins.

In 2025, Amazon MGM Studios inked a first-look multi-faceted deal with 5&2 Studios. The wide-ranging deal provides streaming rights to the first five seasons of *The Chosen*, the new unscripted series *The Chosen in the Wild with Bear Grylls*, *The Chosen Adventures*, and *Joseph of Egypt* for Prime Video. The pact also includes theatrical and streaming rights to *The Chosen's* upcoming final two seasons, which will follow the crucifixion (Season Six) and the resurrection (Season Seven). Lionsgate handles global distribution for *The Chosen* and *The Chosen In The Wild with Bear Grylls*.
