

The Chosen
ADVENTURES

This key art features the title 'THE CHOSEN ADVENTURES' in large, stylized, 3D letters. The letters are primarily yellow and orange with a glossy, metallic texture. The word 'ADVENTURES' is significantly larger than 'THE CHOSEN'. Several characters are perched on the letters: a girl in a yellow dress on the 'A', a small blue bird on the 'H', a boy in a white shirt on the 'S', and a white cow on the 'S'. The background is a vibrant purple and blue gradient with a large, glowing sun or moon in the center and several pink, winged creatures flying around.
